Beneficiary participants who have a uniformed services beneficiary participant account and a civilian beneficiary participant account will be issued two separate TSP account numbers. A beneficiary participant must file separate interfund transfers and/or withdrawal requests for each account and submit separate beneficiary designation forms for each account;

(2) A uniformed services beneficiary participant account and a civilian beneficiary participant account cannot be combined;

(3) If a uniformed services beneficiary participant account contains tax-exempt contributions, any payments or withdrawals from the account will be distributed pro rata from the tax-deferred balance and the tax-exempt balance;

(4) A beneficiary participant may transfer or roll over all or any portion of an eligible rollover distribution (within the meaning of I.R.C. section 402(c)(4)) from a uniformed services beneficiary participant account into a civilian or uniformed services TSP participant account. However, tax-exempt money attributable to combat zone contributions cannot be transferred from a uniformed services beneficiary participant account to a civilian TSP participant account.

(n) *Multiple beneficiary accounts.* Each beneficiary participant account is maintained separately from all other beneficiary participant accounts. If an individual has multiple beneficiary participant accounts, each of the individual's beneficiary participant accounts will have a unique account number. A beneficiary participant must file separate interfund transfers and/or withdrawal requests and submit separate beneficiary designation forms for each beneficiary participant account that the TSP maintains for him or her. A beneficiary participant account cannot be combined with another beneficiary participant account.

[68 FR 35510, June 13, 2003, as amended at 74 FR 63063, Dec. 2, 2009]

§ 1653.2 Qualifying retirement benefits court orders.

(a) To be qualifying, and thus enforceable against the TSP, a retirement benefits court order must meet the following requirements:

(1) The order must expressly relate to the Thrift Savings Plan account of a TSP participant. This means that:

(i) The order must expressly refer to the "Thrift Savings Plan" or describe the TSP in such a way that it cannot be confused with other Federal Government retirement benefits or non-Federal retirement benefits;

(ii) The order must be written in terms appropriate to a defined contribution plan rather than a defined benefit plan. For example, it should generally refer to the participant's TSP account or TSP account balance rather than a benefit formula or the participant's eventual benefits; and

(iii) If the participant has a civilian TSP account and a uniformed services TSP account, the order must expressly identify the account to which it relates.

(2) The order must either require the TSP to freeze the participant's account to preserve the *status quo* pending final resolution of the parties' rights to the participant's TSP account, or to make a payment from the participant's account to a permissible payee.

(3) If the order requires a payment from the participant's account, the award must be for:

(i) A specific dollar amount;

(ii) A stated percentage or fraction of the account; or

(iii) A survivor annuity as provided in 5 U.S.C. 8435(d).

(iv) The following examples would qualify to require payment from the TSP, although ambiguous or conflicting language used elsewhere could cause the order to be rejected.

Example (1). ORDERED: [payee's name, Social Security number (SSN), and address] is awarded \$ _____ from the [civilian or uniformed services] Thrift Savings Plan account of [participant's name, account number or SSN, and address].

Example (2). ORDERED: [payee's name, SSN, and address] is awarded _____ % of the [civilian and/or uniformed services] Thrift Savings Plan account[s] of [participant's name, account number or SSN, and address] as of [date].

Example (3). ORDERED: [payee's name, SSN, and address] is awarded [fraction] of the [civilian and/or uniformed services] Thrift Savings Plan account[s] of [participant's name, account number or SSN, and address] as of [date].

NOTE: The following optional language can be used in conjunction with any of the above examples. FURTHER ORDERED: Earnings will be paid on the amount of the entitlement under this ORDER until payment is made.

(4) A court order can require a payment only to a spouse, former spouse, child or dependent of a participant.

(b) The following retirement benefits court orders are not qualifying and thus are not enforceable against the TSP:

(1) An order relating to a TSP account that has been closed;

(2) An order relating to a TSP account that contains only nonvested money, unless the money will become vested within 30 days of the date the TSP receives the order if the participant were to remain in Government service;

(3) An order requiring the return to the TSP of money that was properly paid pursuant to an earlier court order;

(4) An order requiring the TSP to make a payment in the future, unless the present value of the payee's entitlement can be calculated, in which case the TSP will make the payment currently; and

(5) An order that does not specify the account to which the order applies, if the participant has both a civilian TSP
